Coming to a manor. Spooky.

Who are you?

Refined. A normal amount of scared. Probably hot.

Haunted. Hot but have nerves or something.

Obsessive nerd. Really into some obscure science.

Arrive in the village first. It's night, its raining. Small village, rural.

Pub?
Manor?
Stable?

Pub. Check out the clientele. They're not into you at all.

Say something inadvertently insulting about the barperson?

Act humble and buy a shit pint?

Ask why the village is so spooky?

Flirt with the barperson.

There's also a waif like chick who everyone loves but is super eery. The stable boy loves her but its never gonna happen.

They do unexplained experiments that produce lights and sounds from the manor.

They're is weirdly into it. Tells you that there's something weird at the manor, be careful - the posh people up there are hot, but probably evil.

Go to the manor?
Stay and get to know the bar person?

Tells you that there's something weird at the manor, be careful - the posh people up there are hot, but probably evil.

Learn nothing. Get a bit pissed.

Manor.

Stable.

Ask about the manor?

Press for more info on the sister

Pub?

Manor?

You see creepy lights in the dark.

Go back to the pub?

Walk towards the lights.

You stay and chat. You're into it. It gets late and you stay in the spare room. In the morning you help out behind the bar. You fall for the barperson and just end up staying. You never find out what the deal is with the manor.

Leave scared and disorientated.

Press about sister.
He dies of a brokem heart.
You just inadvertently murdered a man.

Just fucking leave.

Head to the manor

Manor

Big sppoky

fraternal twins?

Sister
Brother
Cook

You just fucking leave. This isn't worth it.

Fall down a pit and die.

Brother

starts talking to you about weird stuff.

Follow him

Stand stock still

Cook. Get out of here you idiot.

Fuck this go back to the pub.

Just leave.

Ignore warning and follow

Sister
